**Certificate
of Correction**
JUL 06 2007

Sir:

Pursuant to 35 U.S.C. §254 and 37 C.F.R. §1.322, Applicants hereby request issuance of the enclosed proposed Certificate of Correction of U.S. Pat. No. 7,096,192 B1 for mistake of the Office.

The mistake is that the issued patent lacks the following benefit claim of domestic priority under 35 U.S.C. 120: "Continuation of application 08/901,687, filed July 28, 1997, now U.S. Pat. No. 6,029,154." The mistake is clearly disclosed in the records of the Office as follows. On November 17, 1999, the applicant filed a paper entitled "Request Form for Application under 37 C.F.R. 1.53(b)," a copy of which is enclosed with proof of mailing. The first paragraph of the paper stated that the application was a "Continuation" application. Page 2, box 6 of the paper stated an amendment to the specification to insert a reference to the parent application. The application included a copy of the parent application and the inventors' declaration from the parent application.

The present application was filed during the pendency of the parent application, named the same inventor, and included the same disclosure.

JUL 6 2007

Thus, on its filing date the present application met all requirements for a proper continuation: copendency; continuity of inventorship; continuity of disclosure; and amendment to insert a reference to the parent application in the specification.

Concurrently, the applicant filed a Preliminary Amendment. Page 13, "Remarks," notes that the application is a Continuation.

For all these reasons, applicant respectfully submits that a mistake is clearly disclosed in the records of the Office, namely failing to designate the application as a continuation and to enter appropriate continuing data in the PALM or PAIR systems for publication in the issued patent, and that correction by the enclosed certificate is appropriate.

No fee is believed to be due for this request. The Commissioner is authorized to charge any other fee that may be due in connection with this Request or the Certificate of Correction to our Deposit Account No. 50-1302. A duplicate copy of this paper is enclosed.

Applicants respectfully request issuance of the proposed Certificate of Correction.

Respectfully submitted,

HICKMAN PALERMO TRUONG & BECKER LLP
